Mission Statement: *We, the parishioners of St. Pius Tenth Church, gather in the name of the Lord to praise God and His Son, Jesus Christ, through the Holy Spirit, thanking them for the many blessings that they have given to us. FIFTH SUNDAY IN ORDINARY TIME

FEBRUARY 5, 2012

"Everyone is looking for you."

Mark 1:29-39

Of course everyone was looking for Jesus. He cured their sick and drove out their demons. They believed in him because of what they had seen him do. But had they listened to his message and did they believe what he had to say? Jesus would eventually tell others that "It is your faith that has healed you." In the first reading [Job 7:1-4, 6-7] recants his life of drudgery, loss and pain. The passage concluded, "I shall not see happiness again." But Job did not lose faith in God when the Lord allowed Satan to test him, so God restores Job's fortunes and gives him a beautiful family. Faith that does not endure when tested is not faith. As long as Jesus stayed in Capernaum and healed their sick and drove out demons, they believed in him. The test of their faith is whether they continued to believe in him when he left to preach the gospel to others by his words and actions. The test for us is whether we believe the faith they passed on to us.

"TO THE WEAK I BECAME WEAK TO WIN OVER THE WEAK"

1 CORINTHIANS 9:16 – 19, 22 - 23

STEWARDSHIP MOMENTS

In today's Gospel we hear of a great number of suffering people seeking the healing touch of Jesus. He could not respond to them all. But the Gospel also reveals Jesus, after praying in solitude, sensing an urgency to proclaim the Good News of his Father's redemptive love to those who suffer in the nearby villages and towns. Stewards are called to follow in Jesus' footsteps, to respond to those who suffer with compassion. How are we responding to the suffering in our world? How are we using our gifts to continue the works of Christ's redemptive healing?

OBSERVANCES

January 29-February 5 – Catholic Schools Week
Catholic Schools: Faith. Academics. Service. The annual observance starts the last Sunday in January and runs all week, which in 2012 is January 29 to February 5. Schools typically celebrate Catholic Schools Week with Masses, open houses and activities for students, families, parishioners and the community at large.

The theme focuses on three priorities that Catholic schools establish that make them stand out from other educational institutions. Children are taught faith – not just the basics of Christianity, but how to have a relationship with God. Academics, which in Catholic schools are held to very high standards, help each child reach his or her potential. Service, the giving of one's time and effort to help others, is taught both as an expression of faith and good citizenship.
